

Maksim V. Avseev

Maksim Avseev and his family have been residents of Bow Mar since 2015.

Maksim is a serial entrepreneur and business operator. He has more than 20 years of experience in Manufacturing, Finance, Construction, and Real Estate. By the age of 35, he had started and/or acquired over ten successful businesses. He is well-traveled and is further fluent in three languages. Maksim was born in Minsk, Belarus. His mother was a senior engineer at Atomic Energy Parts Factory, and his dad was a former Olympic Cross-Country Skier and the Head Coach for the National Cross-Country Skiing Team, both are now retired.

While in Belarus, he graduated high school with the highest honors and then studied at the top economic school of Belarus, The Belarusian State Economics University, majoring in International Credit and Finance. He immigrated to the United States of America in 2002 with his college sweetheart, best friend, and partner Natallia Avseev, and got married in 2003.

Maksim graduated from the University of Colorado at Denver in 2007 with a double major in Finance and Accounting, while also becoming a member of the Financial Management Association International National Honor Society. He also went to Denver University for his Chartered Financial Analyst studies.

While in school, at the age of 23, Maksim started in the Real Estate business. In 2008, he started PetraBee Construction, a stucco and masonry contracting business that is a contractor to national home builders and other retail, commercial, and residential developers. In 2011, he also founded Zement Stone, which is now one of the leading stone manufacturers in Colorado and is a supplier to major commercial and residential builders throughout many states.

Over the past fifteen years, Maksim has grown these businesses to a team of 150 people and growing. He navigated his businesses and managed to keep people's jobs through COVID and other challenging times.

Maksim and his wife Natallia have four kids. Two older sons attend TPH Academy, and when they're not immersed in their studies, the boys can be found playing hockey, piano, golf, swimming, skiing, sailing, golfing, and enjoying the great outdoors. Boy and girl twins are almost two years old and they are looking forward to growing up in Bow Mar.

Their family were introduced to the Town of Bow Mar in 2014 and fell in love with it right away. They lived in 3 countries and visited 35 (UK, Dubai, Japan, Morocco, and Costa Rica to name a few). Bow Mar community and the way of life are so special that they knew that they wanted to raise the family here.

Maksim is ready to give back to the community and get involved. Hopefully, he can contribute some of his expertise and experience to serve Bow Mar and protect our beautiful town.
